A \* indicates that the merit badge will **NOT** be completed at Scouting University. These badges will have requirements that Scouts will need to finish after March 6th. Please see each merit badge's specific requirement list for details.

A ^ indicates that the merit badge has pre-requisites. Scouts will need to complete these requirements prior to coming on March 6th. Please see each merit badge's specific requirement list for details.

A + indicates that there will be an additional fee for this merit badge. Due to the higher costs of materials for Photography, such as a disposable camera and film development, we will charge an additional fee for this class at registration on March 6th. We estimate this additional fee will be about \$5.
